EDUCATION

...

Cognitive Science - Design and Interaction B.S.
University of California, San Diego | 2016 - 2020

EXPERIENCE

...

RESEARCH ASSISTANT

Interactive Cognition Lab
Jan 2018 - Present

- Collects data for future research projects
- Presents on new findings at weekly lab meetings
- Runs in-person experiments and assists in experiment design

RESEARCH ASSISTANT

Cognition and Cognitive Neuroscience Laboratory
Apr 2017 - Present

- Conducts learning based research tests on voluntary participants
- Analyzes and presents on relevant literature at lab meetings
- Manages data collected from tens if not hundreds of experiment volunteers
- Developed a fully functional prototype for new lab website

INTERNAL DEVELOPMENT COMMITTEE MEMBER

Cognitive Science Student Association
Oct 2016 - Present

- Tasked with connecting cognitive science students to valuable contacts and resources both on and off campus
- Invited several grad students and professors to attend a Lab Open House where over 100 undergraduate students learned about on-campus opportunities
- Acted as a workshop leader for the Cognitive Science Conference and assisted in setup, cleanup, and check-in

PARENT RELATIONS CHAIR

Oxford Academy STEM
December 2015 - May 2016

- Established a fundamental outline of tasks as part of the first business team in the organization's history
- Maintained communication between parents of team members and the team itself
- Organized and hosted parent meetings and fundraisers raising over \$2000 totaling nearly 20% of the annual budget
- Assisted the business team in applying for awards and requesting sponsorships

AWARDS

...

JPL Invention Challenge
Chapman Regionals 3rd Place
JPL Invention Challenge Playoffs
Most Creative Design
FIRST Robotics Fall Classic
3rd Place Alliance
Orange County
Journalism Education Association
Novice Op-Ed Top 3

PROFESSIONAL SKILLS

...

Research Methods and Analysis
Java, HTML, CSS, JavaScript
Ethnography
